It is with deep sadness that we were informed of the passing away of Mr. Milan Bandić, the Mayor of the City of Zagreb and a great friend of the City of Mostar. Milan Bandić was a frequent guest in Mostar and always ready to help our city and all its citizens in every way. Because of everything he has done, I believe he will be remembered as one of the greatest mayors in Zagreb's history. During all these years as the head of the Croatian metropolis, he lived and worked for his city. The City of Zagreb will surely always remember him, and the City of Mostar will have the fondest memories of him as a sincere and dear friend.

Mayor of the City of Mostar

Mario Kordić
