The Mayor of Mostar, Dr. Mario Kordić, and the President of the City Council of Mostar, Salem Marić, received today at the City Hall representatives of the Sports Association of the City of Mostar, Senad Kevelj, President of the Management Board of SACM and Danko Šulenta, President of the Supervisory Board of SACM.

Representatives of the Sports Association of the City of Mostar Kevelj and Šulenta thanked for the reception and introduced Mayor Kordić and President of the City Council Marić with the fact that the Sports Association of the City of Mostar is the basic sports organization of sports in our city and the first institution to truly unite citizens who deal with the organization of sports in the city of Mostar, and in which they have always had the support of the City of Mostar.

They emphasized that the Sports Association of the City of Mostar, as an institution of special importance for the City of Mostar, brings together 62 members at the City level and 20 associate members, which requires significant financial resources to support at least part of their activities, especially two clubs HŠK Zrinjski and FK Velež, as two large and very important sport clubs for Mostar.

Mayor Dr. Kordić and President of the City Council Marić emphasized the importance of the Sports Association of the City of Mostar and emphasized that this City Administration and the City Council

recognize sport as something very important and will continue to support their work, which should be concretely recognized through the Budget for 2021.
